

NORTON LITERATURE 2024

Celebrating a Century of Independent Publishing

NEW FROM NORTON LITERATURE

Why Use a Norton, and Why Now?

We know it's never been more challenging to keep literature alive and thriving. You and your students deserve course materials that not only reflect the vitality, diversity, and richness of the field today but are affordable, engaging, and easy to use-anytime, anywhere. And when you assign a Norton, you're ensuring that your students have everything they need in one place.

We thank you and your students for making Norton the most trusted resource for teaching and studying literature. With your continued support, we'll keep doing what we do best-introducing students to the power of literature.

For help picking the best titles for your course or requesting exam copies, email: UKtextbooks@wwnorton.com

Embedded Video and Audio for the New Editions of Norton's English Literature

- Videos embedded in the period introductions help students situate the literature of a particular time and place and highlight its overarching themes.
- Recordings of the anthology editors reading the period introductions aloud give students a new way to engage with this valuable contextual material.

Flexibility and Navigation 🕰 🖽 🚾

The ebooks contain all the selections found in the Full Editions of each anthology (which includes everything found in the Shorter Editions). Page references corresponding with the Full and Shorter Editions appear in the margins of relevant selections, ensuring that students can use an ebook, no matter which print version an instructor chooses to assign.

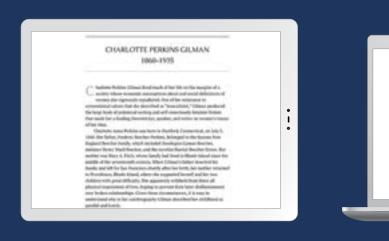

- The search function makes it easy for students to search by author or title.
- Instructors have the ability to link directly to specific readings from their Learning Management System (LMS), making it easy to organize a course thematically or chronologically.

The Norton Anthology of American Literature

FULL AND SHORTER TENTH EDITIONS

Edited by Robert S. Levine, The University of Maryland (General Editor) + Sandra M. Gustafson, University of Notre Dame • Michael A. Elliott, Amherst College • Lisa Siraganian, Johns Hopkins University • Amy Hungerford, Columbia University • GerShun Avilez, The University of Maryland

A diverse collection with innovative resources to tackle today's teaching challenges

The most trusted anthology for complete works, balanced selections, and helpful editorial apparatus. The editorial team, with new period editors Lisa Siraganian and GerShun Avilez, have reenergized the anthology with new works, all chosen with instructor feedback and student appeal in mind. As always, introductions and headnotes have been revised, teaching clusters added, annotations and glosses finetuned, and bibliographies updated—all with the goal of helping students better understand the text, without telling them what to think.

Voices from across the American literary landscape

From the creation stories of the Iroquois and Navajo, poetry from the Cherokee nation, and an eyeopening collection of Civil War literature in the early volumes to Jack London's examination of violent labor strikes, American modernists Ann Petry, F. Scott Fitzgerald, and Ernest Hemingway, and contemporary writers Juan Felipe Herrera, Viet Thanh Nguyen, N. K. Jemisin, and Carmen Maria Machado in the later volumes.

A teachable anthology

Inspired by hundreds of instructors, the editors of The Norton Anthology of American Literature have included readings for every classroom's needs. Teachable and exciting, with helpful introductions, all selections appear in both the print and ebook volumes, ensuring that students remain on the same page, no matter where they read.

NORTON CRITICAL EDITIONS

My Bondage and My Freedom

Frederick Douglass • Edited by Nick Bromell, University of Massachusetts at Amherst, and R. Blakeslee Gilpin, Tulane University

"Nick Bromell and R. Blakeslee Gilpin have edited Frederick Douglass's iconic autobiography with great verve and insight. Coupled with some known as well as unknown documents, this edition of My Bondage and My Freedom will be of tremendous use for experts and nonexperts alike." -MANISHA SINHA, University of Connecticut

"The analytical rigor and wide historical perspective characteristic of Norton Critical Editions are on full display in this new edition of Frederick Douglass's My Bondage and My Freedom. This book should stand as the most authoritative edited collection of Douglass's 1855 autobiography; of relevant texts in his oeuvre and published by his contemporaries; and of exceptional recent scholarship on his life, literature, and times." -GENE ANDREW JARRETT, Princeton University

ISBN 978-0-393-92363-6 • 504 pages • Paperback • October 2020

E. E. CUMMINGS SELECTED WORKS 10/102-01

E. E. Cummings: Selected Works

E. E. Cummings • Edited by Milton A. Cohen, University of Texas at Dallas

"This ample, authoritatively edited collection represents Cummings's work in all its variety and dynamism. We find here not only Cummings the poet-rebel and curmudgeon, lyric writer and satirist-but also Cummings the painter, the memoirist, the playwright, the letter writer, and the essayist. It's exciting to encounter both familiar and little known works. They are sure to delight and instruct, to puzzle and surprise. While revealing the modernist's historical contexts, these pages help to bring to life Cummings's spatial and typographical innovations, his visual energy and verbal wit." - JAHAN RAMAZANI, University of Virginia

"Always the iconoclast, Cummings straddles the serious cultural commentary of the high modernists and a kitschy engagement with popular culture that is more than simply clever. The annotations in this volume allow students to fully engage in not only the richness of Cummings's cultural context, but also the immediacy of his ideas captured so poignantly in his style." -W. TODD MARTIN, Huntington University

ISBN 978-0-393-61711-5 • 384 pages • Paperback • December 2019

Sor Juana Inés de la Cruz: Selected Works

"Her language is a lesson in speaking to the moment and to the centuries both, and Edith Grossman captures its suggestiveness with a calm elegance." -ALBERTO RÍOS, author of The Smallest Muscle in the Human Body "Grossman [renders] Sor Juana's rhythmic gifts in smart and elegant measures." — BOOKLIST 2014 PEN USA LITERARY AWARD FOR TRANSLATION FINALIST

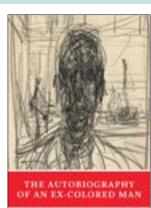

ISBN 978-0-393-92016-1 • 368 pages • Paperback • May 2016

Sor Juana Inés de la Cruz • Translated by Edith Grossman • Edited by Anna More, University of Brasília

NORTON CRITICAL EDITIONS

Annotated Texts, Contexts, and Criticism NCE

AMES WELDON JOHNSO

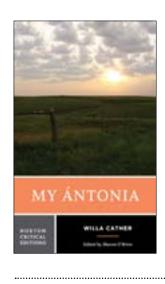

The Autobiography of an Ex-Colored Man

James Weldon Johnson • Edited by Jacqueline Goldsby, Yale University

"Jacqueline Goldsby so marvelously and compellingly opens this canonical text of the Harlem Renaissance to a new generation of readers. Any teacher assigning Johnson's most important text should use this edition." —HENRY LOUIS GATES, JR., *Harvard University*

"Goldsby's is the first annotated, scholarly edition that allows readers to explore how Johnson's *ECM* as well as its publication and reception history—challenges our notions of what makes a work 'modern' and what counts as a 'novel.' ... In addition to her interest in Johnson's formal and stylistic work, Goldsby suggests numerous other inroads into *ECM* that deserve further study. ... Goldsby's edition offers a starting point for researchers approaching Johnson for the first time and an opportunity to question received wisdom for those who have long appreciated his significance." —AUBREY PORTERFIELD, *Studies in the Novel*

SBN 978-0-393-97286-3 • 512 pages • Paperback • February 2015

My Ántonia

Willa Cather • Edited by Sharon O'Brien, *Dickinson College*

"You picked up *My* Ántonia to read a novel [...] and find yourself enthralled by autobiography. [...] A young writer who wants to deal honestly and yet inoffensively with a variety of difficult things can learn big lessons from reading this book." —*THE NEW YORK TIMES BOOK REVIEW*

"I know of no novel that makes the remote folk of the western prairies more real than *My* Ántonia makes them, and I know of none that makes them seem better worth knowing."—HENRY LOUIS MENCKEN, *Smart Set*

ISBN 978-0-393-96790-6 * 544 pages * Paperback * August 2015

SILAS LAPHAM

W. D. HOWELLD

The Rise of Silas Lapham

W. D. Howells • Edited by Paul R. Petrie, Southern Connecticut State University

"I love teaching *The Rise of Silas Lapham* because it is a rich opportunity to examine humor, American Dream ideology, and realism (and sentimentalism) in American literature. It's always worked well in my classes as a text that helps expand and clarify my students' literary theoretical understanding of realism." —GREGORY EISELEIN, *Kansas State University*

ISBN 978-0-393-92242-4 • 576 pages • Paperback • July 2018

The Norton Anthology of English Literature

FULL AND SHORTER ELEVENTH EDITIONS

Edited by Stephen Greenblatt, Harvard University + James Simpson, Harvard University + Julie Orlemanski, University of Chicago • Tiffany Stern, University of Birmingham • Katharine Maus, University of Virginia + Julie Crawford, Columbia University + James Noggle, Wellesley College • Courtney Weiss Smith, Wesleyan University • Deidre Lynch, Harvard University • Eric Eisner, George Mason University • Catherine Robson, New York University • Rachel Ablow, University at Buffalo • Jahan Ramazani, University of Virginia • Aarthi Vadde, Duke University

A Sweeping Revision That Speaks to How English Literature Is Taught Today

From the Middle Ages to the twenty-first century, The Norton Anthology of English Literature, Eleventh Edition, showcases exciting authors, works, and textual clusters that demonstrate the relevance of literature to contemporary students and trace the creative arc that has yielded the ever-changing and ever-fascinating body of material called English literature.

What's New in the Eleventh Edition?

- Seven new editors, all active teachers, have chosen exciting new texts that will engage today's students. Through fresh introductions and headnotes, the editors place these works in the context of their time and examine them through a contemporary lens.
- More than 300 new selections in the full edition and 125 in the shorter edition, including:
- » New works that address religious violence and the mix and clash of cultures in medieval times with streamlined texts from The Norton Chaucer for ease of student comprehension.
- » Many new poems, from a collection of sixteenth-century pieces on topics from birth to death, to pieces from the Romantic period highlighting the era's astonishing lyric power, to a cluster of contemporary poems on climate change.
- » Shakespeare's Othello and The Tempest, along with works by John Smith, Sir Walter Raleigh, Thomas Hariot, and others, explore issues of exploration, empire, and slavery.
- » New texts from the Restoration and eighteenth century look at gender politics, empire, commerce, and science during the period. A fascinating selection from The Arabian Nights Entertainments highlights issues of the transmission of stories in a time of increasing cultural exchange.
- » Powerful pieces by Black, Asian, and Indigenous writers, including Mohandas Gandhi and Mary Seacole, are put in dialogue with voices from the traditional canon.

Resources for The Norton Anthology of English Literature

NEW Ebook

The entirety of The Norton Anthology of English Literature 6 is available in ebook format. Dynamic features exclusive to the Norton Ebook Reader offer students a supportive, accessible environment for active reading and annotating. Embedded video and audio in the period introductions encourage students to engage with the historical and cultural context of each period, and instructors can share their own notes and media with their entire class directly on the page.

Read more about the ebook, including how to access a demo, on pages 4-5.

Videos and Other Resources for Use in Your Learning Management System

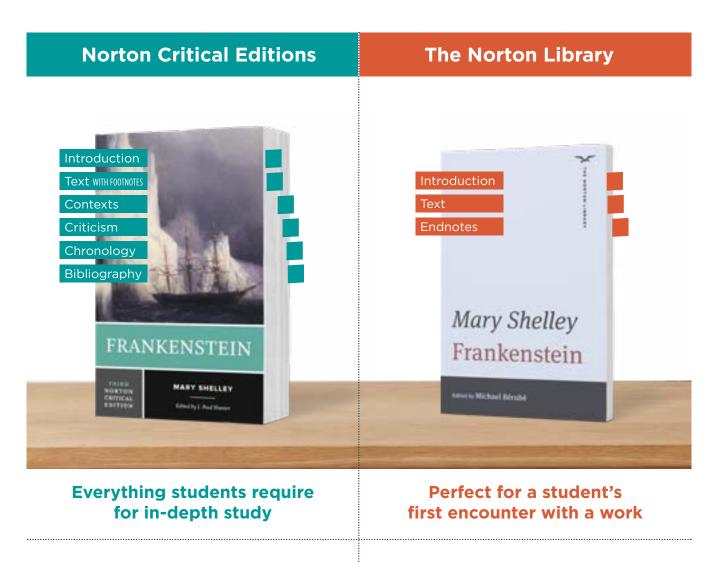

Norton offers a range of student resources organized by period, including the videos from the Norton Ebook Reader, a curated selection of Spotify recordings featuring works found in the anthology, and annotated bibliographies. Students can access these resources via the Student Site, or instructors can include links to them in their LMS. In addition, instructors can link directly to specific selections from the Norton Ebook Reader in their LMS and export reading comprehension quizzes from Norton Testmaker for their LMS.

A Guide for Instructors This guide features summaries, teaching notes, and discussion questions for writers, works, and clusters in the anthology. It also includes NEW thematic tables of contents to help streamline syllabus creation and spark ideas for pairing texts.

Teaching with The Norton Anthology of English Literature:

Norton is proud to offer two series of classic works edited and translated by leading scholars and teachers.

Fyodor

Middlemarch

George Eliot • Ronjaunee Chatterjee, Queen's University

"Chatterjee's Middlemarch will be a godsend for the classroom. This richly supplemented edition makes it clear why it's worth committing to this long novel as Chatterjee brings to the fore the resources for ethical living that Eliot continues to offer us." - DEIDRE SHAUNA LYNCH, Harvard University

"With its extensive supplementary materials and cutting-edge secondary criticism, this new edition offers contemporary readers the ideal framework for understanding Eliot and her milieu, appreciating the complexities of Middlemarch, and gaining access to an incredible range of readings from Eliot's time to our own that enrich our experience of the novel. Professor Chatterjee's editorial chops and comprehensive annotations make this a must-read for first-time readers of the novel, as well as those returning to it, as we continue to grapple today with many of the same questions that animate Eliot's Middlemarch." -CAROLYN LESJAK, Simon Fraser University

"Ronjaunee Chatterjee sets the standard for teaching and researching George Eliot's Middlemarch in her new, surely definitive edition. Chatterjee not only preempts queries from the curious reader who might be unfamiliar with the nuanced stratifications of Victorian clergy with her helpful glosses, but she also invites us to consider just how non-insular 'a study of provincial life' proves to be; Chatterjee compels us to expand our readerly lenses and discern Middlemarch's cosmopolitan and colonial entanglements. Like the narrator, readers will still find themselves left with 'much to do in unraveling certain human lots.' But with the Norton Critical Edition, they will also find the support to unpack Middlemarch's 'particular webs' in their unique localities. Too, Chatterjee supplies readers with inducement to explore the 'tempting range of relevancies called the universe' that constitute the novel's historical contexts and its contemporary exigencies." -LORENZO SERVITJE, Lehigh University

ISBN 978-0-393-87719-9 • 704 pages • Paperback • Spring 2024

DOCTOR MOREAU

N. G. MILLS

MIDDLEMARCH

BORGE BLIOT

H. G. Wells • Kimberly W. Benston, Haverford College

"Kimberly W. Benston has created an invaluable edition of The Island of Doctor Moreau, H. G. Wells's darkest and most disturbing tale. The volume's rich selection of historical documents brings into view the multiple contexts out of which this dystopian narrative emerged, while Benston's splendid introduction provides fresh and thoughtful assessments of Wells's distinctive achievement and of its impact both in his day and our own." -STEPHEN ARATA, University of Virginia

"Like The Island of Doctor Moreau itself, the paratexts that accompany this vital new edition are engrossing, lush, and revelatory." - SEO YOUNG CHU, Queen's College, CUNY

ISBN 978-0-393-92015-4 • 320 pages • Paperback • Spring 2024

The Island of Doctor Moreau

NORTON CRITICAL EDITIONS

D'URBERVILLES THOMAS HARDY

Tess of the d'Urbervilles

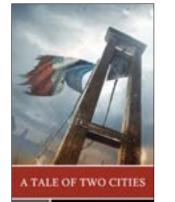

Thomas Hardy • Edited By Phillip Mallett, University of St. Andrews, and Jane Thomas, University of Hull

"In this new edition, editors Phillip Mallett and Jane Thomas center Hardy's reassembled and repaired 1892 onevolume edition, situating his revisions in a compelling textual history. The augmented collection of contemporary responses conveys intensities of sympathy and blame elicited by Hardy's evocation of a 'pure woman,' offering readers of the Me Too generation a chance to engage empathetically and critically with Tess of the d'Urbervilles." -SUZANNE KEEN, Scripps College, author of Thomas Hardy's Brain: Psychology, Neurology, and Hardy's Imagination

"Phillip Mallett and Jane Thomas provide the first modern scholarly edition of the 1892 one-volume version of Tess of the d'Urbervilles with new contextual sources and carefully selected critical responses to the novel. Their commentary on the publishing history of the novel is both scholarly and accessible, offering astute insights into one of Hardy's finest works." -TRISH FERGUSON, Liverpool Hope University

"With its authoritatively established text, generous complement of background and contextual materials, and well-chosen selection of both original reviews and modern criticism, this new Norton Tess immediately stakes a convincing claim to being the edition of choice for both students and the general reader."

ISBN 978-1-324-07189-1 * 500 pages * Paperback * Spring 2024 * 🖪 Ebook

CHARLES DICKERS

A Tale of Two Cities

Charles Dickens • Edited by Robert Douglas-Fairhurst, Oxford University

"Robert Douglas-Fairhurst's new edition of A Tale of Two Cities sets the reader down in the midst of Dickens's vibrant life and times. Douglas-Fairhurst, a gifted biographer of Dickens, has created an edition rich in biographical and historical detail, including a useful range of Dickens's related writings, as well as an excellent selection of classic and more recent Dickens scholarship." -- DEBORAH LUTZ, University of Louisville

"By far the best, most evocative, and superbly conceived critical edition of A Tale of Two Cities, a novel especially ripe for renewed attention now. Its text is the right choice; the illustrations are illuminating and entertaining; the contemporary and modern contextual material connects the novel's past to its present; and the editor's introduction gives students and scholars critical insights and a historical anchor." -FRED KAPLAN, Queens College and The Graduate Center, City University of New York

ISBN 978-0-393-26423-4 * 448 pages * Paperback

Orlando

LEWIS CARBOLL

Alice in Wonderland

FOURTH NORTON CRITICAL EDITION

Lewis Carroll • Edited by Donald J. Gray, Indiana University

"Offering accurate texts, stimulating contexts, and a generous selection of essays to help readers make their way through Wonderland and Lewis Carroll's other nonsense worlds, this remains the definitive critical edition of stories that remain as fresh and surprising now as they were when originally published more than **150** years ago." —ROBERT DOUGLAS-FAIRHURST, University of Oxford

"This new edition includes a rich array of Lewis Carroll's marvelous writings, including personal letters and other important background material. A really splendid edition for teaching." —DEBORAH LUTZ, University of Louisville

"Donald Gray's Fourth Edition of Alice's Adventures in Wonderland collects a fresh assortment of critical essays that will shed new light on the Alice books and The Hunting of the Snark. Organized around different periods in Charles Dodgson's life, the backgrounds will enable students, scholars, and readers to place these beloved texts in their proper contexts. A crisp new edition." -RONJAUNEE CHATTERJEE, Queen's University

ISBN 978-1-324-05960-8 * 360 pages * Paperback * Fall 2023 * E Ebook

PERSUASION

JAME AUSTEN

Persuasion

THIRD NORTON CRITICAL EDITION

Jane Austen • Edited by Rae Greiner, Indiana University

"This edition firmly anchors the novel in its cultural moment, highlighting both the imperial history against which it was written and offering a robust sampling of its reception history. This new edition is rich, nuanced, and urgently needed." —PATRICIA MATTHEW, Montclair State University

"On the surface, *Persuasion* is a simple story of love, loss and reunion, but the realities of early nineteenthcentury life become poignantly clear in Jane Austen's brilliant hands. Though never overtly political, as Norton's Third Critical Edition of Persuasion demonstrates, Austen is surprisingly adept at treating global concerns and understanding the triumphs and tragedies of the turbulent change which marked her world."

 $-{\tt REBECCA\ POSUSTA,\ University\ of\ Colorado,\ Colorado\ Springs}$

ISBN 978-1-324-07074-0 • 352 pages • Paperback • Summer 2024

Virginia Woolf • Edited by Madelyn Detloff, Miami University "Virginia Woolf's Orlando can be daunting for new and experienced readers alike, but its pleasures await those willing to immerse themselves in this elusive and highly allusive text. This much-needed and longawaited edition will prove a boon to readers, offering both useful textual annotations and informative contextual readings. Madelyn Detloff's critical selections help to make this challenging text more accessible and provide an instructive framework for gaining a greater understanding of Woolf's genderand genre-bending novel." —ANA R. ROJAS, UNIVERSITY OF SAN FRANCISCO

"The Norton Critical edition of Orlando is a tour de force, quiding readers through the dazzling world of Virginia Woolf's novel with a range of important critical perspectives and their relevant archives. Detloff's brilliant editorial vision tackles some of the most difficult topics surrounding Orlando and its adaptations across media, while doing justice to the ongoing revelations inspired by Woolf's most audacious masterpiece." — AMY E. ELKINS, MACALESTER COLLEGE

ISBN 978-1-324-04436-9 * 272 pages * Paperback * Summer 2024

Wide Sargasso Sea

Jean Rhys • Edited by Judith L. Raiskin, University of Oregon

"This edition is terrific—I find the notes especially helpful for undergrads unfamiliar with Caribbean history. The essays on Rhys and Brontë are useful for more advanced students engaged in comparative lit analyses." -ANNETTE GILSON, Oakland University

"This edition is perfect for my situation as a professor at an underfunded urban institution. The well-chosen critical essays and biographical excerpts will enrich our study of gender in literature since the material would be otherwise unavailable to us, considering the state of our library. I must applaud W. W. Norton for situating Wide Sargasso Sea in a variety of contexts: historical, regional, biographical." -ANNA A. HUSE, John Jay College of Criminal Justice

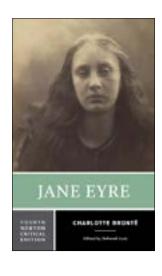

ISBN 978-0-393-96012-9 * 288 pages * Paperback * November 1998

WIDE SARGASSO SE/

NORTON CRITICAL EDITIONS

Jane Eyre

FOURTH NORTON CRITICAL EDITION

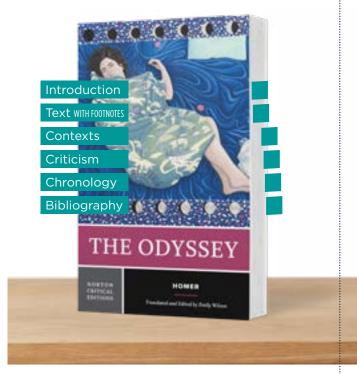

Charlotte Brontë • Edited by Deborah Lutz, University of Louisville

"The Brontës' gifted biographer provides us with another superlative Norton Critical Edition of Charlotte Brontë's classic novel. For the classroom and for the general reader, there's no better way to experience the context in which Jane Eyre was written, illuminating modern commentary, and the novel itself in an authoritative text." - FRED KAPLAN, Queens College and The Graduate Center, City University of New York

ISBN 978-0-393-26487-6 * 560 pages * Paperback * 🖻 Ebook * June 2016

Norton is proud to offer two series of classic works edited and translated by leading scholars and teachers.

The Norton Shakespeare

THIRD EDITION

Edited by Stephen Greenblatt (General Editor), Harvard University • Walter Cohen, University of Michigan • Jean E. Howard, Columbia University • Katharine Eisaman Maus, University of Virginia • Gordon McMullan (General Textual Editor), King's College London • Suzanne Gossett (General Textual Editor), Loyola University Chicago

10日 月間 Hamlet

The Norton Shakespeare, available in a variety of formats and splits, offers a meticulously edited text that reflects current textual-editing scholarship and introduces innovative pedagogic features.

Essential Plays/The Sonnets offers the twenty-one most assigned plays and all the sonnets in a portable paperback.

Not constrained by page count, the enhanced Digital Edition—the first ebook of Shakespeare's complete works edited expressly for undergraduates-makes available seventeen additional fully glossed and annotated versions of the plays. Features of the ebook include:

- Glosses, footnotes, and textual-editing comments available with a simple tap or click of a word
- All the texts and introductions in the print book, plus additional versions of many texts
- Performance comments highlighting how directors' or actors' choices in performance affect meaning
- Links to the Norton Facsimile of the First Folio of Shakespeare and to quarto facsimile pages
- More than eight hours of spoken-word audio recorded by the Actors from the London Stage
- Recordings of all the songs in the plays, from the Shakespeare's Songbook audio companion

The Digital Edition, accessible on laptops, tablets, or smartphones, makes it easy for students to search, highlight, and annotate.

The Norton Chaucer

Edited by David Lawton, Washington University in St. Louis • Prose works edited by Jennifer Arch, Washington University in St. Louis • Dream poetry edited by Kathryn Lynch, Wellesley College

A vibrant edition—both print and digital—brings Chaucer's works to life

A new generation of students can read Chaucer in Middle English in a comprehensive edition drawing on E. T. Donaldson's anthology. David Lawton's general introduction to Chaucer's life and times combines with lively, insightful headnotes for each selection to provide invaluable context. Extensive marginal glosses and explanatory footnotes help undergraduates understand these seminal but challenging works. In addition, students have access to the Reading Chaucer Tutorial, an online resource that facilitates understanding through audio recordings, interactive questions, and interlinear translation.

Available at no additional cost with each new copy of the print book or for purchase on its own, the firstever interactive ebook for Chaucer brings Middle English into the twenty-first century. Features include pop-up annotations highlighting select words and phrases and approximately two hours of audio recordings in Middle English. And students using the ebook, for both the complete works and the Canterbury Tales volume, have direct access to the invaluable Reading Chaucer Tutorial.

The Canterbury Tales Handbook

Elizabeth Scala, University of Texas, Austin

An ideal companion to The Canterbury Tales, this brief, accessible book introduces students to Chaucer's tales and helps them understand the language, genres, forms, historical background, and critical history. NORTON CRITICAL EDITIONS

Annotated Texts, Contexts, and Criticism NCE

ASSCRITCHT

The Oresteia

Aeschylus • Translated by Oliver Taplin, Oxford University • Edited by Oliver Taplin and Joshua Billings, Princeton University

"This vivid and accessible translation captures the drama of Aeschylus's poetry and the excitement of the action in performance." - VICTORIA WOHL, University of Toronto

"This critical edition provides a lavish and fulsome picture of ancient Greek tragedy's most significant surviving document." — JOHANNA HANINK, Brown University

This Norton Critical Edition includes:

- Oliver Taplin's acclaimed translation of the fifth-century B.C.E. Greek tragedy—a trilogy of revenge and murder within the royal family of Argos-with explanatory annotations by the editors.
- Ancient backgrounds and responses from Homer, Stesichorus, Pindar, Euripides, and Sophocles.
- Fifteen wide-ranging critical essays on the Oresteia, from G. W. F. Hegel and Friedrich Nietzsche to Oliver Taplin and Peter Wilson.
- A glossary of technical terms and proper names and a selected bibliography.

ISBN 978-0-393-92328-5 • 288 pages • Paperback • March 2018

Translated by Gavin Flood, Oxford University and Charles Martin • Edited by Gavin Flood "A true translation whose literary qualities make it stand out from the rest." -DANIEL GOLD, Cornell University "Here's a chance to rediscover The Bhagavad Gita in a translation that blends true scholarship with artistry." -LIBRARY IOURNAL

This Norton Critical Edition includes:

- text that remains true to the extraordinarily influential original.
- (translated by Gavin Flood), Bal Gangadhar Tilak, and Sri Aurobindo.
- text to its cultural influences and ongoing global impact.
- A selected bibliography.

The Golden Age of Spanish Drama

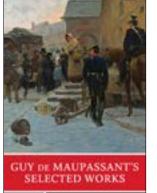

Translated by G. J. Racz, Long Island University • Edited by Barbara Fuchs, University of California, Los Angeles

"The comedia was the vibrant center of Spain's Golden Age and this skillfully curated collection provides the reader with a superior introduction to its range and complexity. Gregary Racz's delightful translations are complemented by Barbara Fuchs's deep knowledge of the period to produce an essential primer for all students of early modern theater." -ANNA MORE, University of Brasília

This Norton Critical Edition includes:

- Five major early modern plays of the Spanish Empire—The Siege of Numantia, Fuenteovejuna, The Dog in the Manger, Life Is a Dream, and The Trials of a Noble House-when Spain produced one of the most vibrant and dramatic canons in the history of theater.
- An introduction, a note on the translation, and explanatory footnotes by G. J. Racz and Barbara Fuchs.
- Background materials centering on the comedia; on class, gender, and the performance of identity; and on stages, actors, and audiences.
- Fourteen judiciously chosen critical essays both on Golden Age Spanish drama generally and on the individual plays.
- A selected bibliography.

ISBN 978-0-393-92362-9 • 640 pages • Paperback • June 2018

Guy de Maupassant's Selected Works

Translated by Sandra Smith • Edited by Robert Lethbridge, Cambridge University

"Smith successfully captures Maupassant's depiction of nineteenth-century French culture using terminology that allows these wonderful texts to reach a fresh generation of readers. A solid translation of some wonderful short stories." -LIBRARY IOURNAL

The Norton Critical Edition includes:

- translated by Sandra Smith.
- An introduction and explanatory footnotes by Robert Lethbridge.
- politics, war, love, despair, and the supernatural.
- Katherine C. Kurk.
- A chronology and a selected bibliography.

ISBN 978-0-393-92327-8 * 448 pages * Paperback * 😑 Ebook * August 2016

The Iliad

Homer • Translated by Emily Wilson, University of Pennsylvania

The greatest literary landmark of antiquity masterfully rendered by the most celebrated translator of our time.

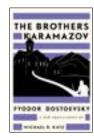

When Emily Wilson's translation of The Odyssey appeared in 2017 critics lauded it as "a revelation" (Susan Chira, New York Times) and "a cultural landmark" (Charlotte Higgins, Guardian) that would forever change how Homer is read in English. Now Wilson has returned with an equally revelatory translation of Homer's other great epic—the most revered war poem of all time.

The culmination of a decade of intense engagement with antiquity's most surpassingly beautiful and emotionally complex poetry, Wilson's *Iliad* now gives us a complete Homer for our generation. 978-1-324-00180-5 • 848 pages • Hardcover • 2023

Dom Casmurro

Joaquim Maria Machado de Assis • Translated by Margaret Jull Costa and Robin Patterson A masterpiece of realism, Machado de Assis's Dom Casmurro probes the mind of a distrustful husband with delusions of grandeur.

978-1-324-09070-0 • 288 pages • Hardcover • 2023

The Brothers Karamazov

Fyodor Dostoevsky • Translated by Michael R. Katz, Middlebury College

A monumental new translation-the first in more than twenty years-of Russia's greatest family drama, rendered with all the passion, humor, and soul of the original.

978-1-63149-819-0 • 928 pages • Hardcover • 2023

The Norton Anthology of Theory and Criticism

THIRD EDITION

Edited by Vincent B. Leitch (General Editor), University of Oklahoma • William E. Cain, Wellesley College • Laurie A. Finke, Kenyon College • John McGowan, University of North Carolina, Chapel Hill • T. Denean Sharpley-Whiting, Vanderbilt University • Jeffrey J. Williams, Carnegie Mellon University

The most comprehensive introduction to critical theory

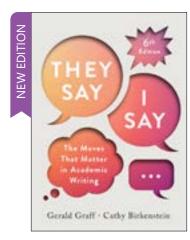

The Third Edition offers 199 pieces by 157 authors—from classical antiquity to today. A thirty-page "Introduction to Theory and Criticism" provides a brisk and informative overview of major schools, movements, and thinkers. No other anthology comes close to offering the range and depth of selections found in *The Norton Anthology*, and no other resource provides as authoritative an introduction to the history and present state of theory.

Selections from 1900 to the present (130 in total) were chosen to best reflect modern thinking about the most influential theoretical texts and thinkers of the last 120 years. Most of the anthology's forty-five new pieces by twenty-eight new authors come from this crucial period. Pieces such as Alondra Nelson's "AfroFuturism: Past-Future Visions" and Ian Bogost's "The Rhetoric of Video Games" represent recent currents in contemporary theory, and new selections by Derrida, Foucault, Fanon, Morrison, and others emphasize themes and topics that are important in today's classroom.

Carefully edited selections provide the most fundamental and most readable segments of longer works. Extensive headnotes and annotations bring complicated texts into clear focus. The anthology also features new keywords at the end of each headnote that situate authors and their works within particular thematic, topical, or methodological categories.

ISBN 978-0-393-60295-1 + 2,848 pages + Hardcover

NTHOL Theory and Criticism Ū.

"They Say / I Say": The Moves That Matter in Academic Writing SIXTH EDITION

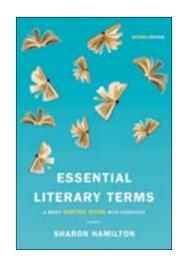

The essential little book that demystifies academic writing, reading, and research-used and loved by millions of students

"They Say / I Say" shows that writing well means entering a conversation and gives students the key rhetorical moves they can readily apply in persuasive writing. Templates and exercises scaffold the rhetorical moves and help students choose the best structure and language for engaging with the views of others.

Two NEW chapters: "In My Experience" helps students use narrative to energize their "I Say," and "Tell Me More: When Your "They Say" Is a Bot" offers advice on using generative AI tools responsibly.

With an entire chapter devoted to writing about literature and only \$£0 when packaged with any other Norton literature title, "They Say / I Say" is the perfect companion for any literature course.

ISBN 978-1-324-07003-0 * 400 pages * Paperback * 🗉 Ebook: digital.wwnorton.com/theysay6

Essential Literary Terms: A Brief Norton Guide with Exercises SECOND EDITION

Sharon Hamilton, Buckingham Browne & Nichols School

Help your students get the most out of their literature course

Updated with new content and to reflect the 2016 MLA guidelines, the Second Edition defines more than 225 literary terms in clear and concise prose and offers an abundance of examples and exercises to enhance understanding. Master teacher Sharon Hamilton has drawn on decades of teaching experience at the college and AP^{*} levels to design this book especially for students in introductory courses.

This slim, easy-to-navigate, and inexpensive volume is the perfect companion to any literature course at the college, AP^{*}, or high school honors level. The text is written in a flexible, modular style that clearly identifies primary terms and alerts students to related terms defined elsewhere in the book.

The text includes new terms requested by instructors, extended explanations of more difficult terms, and additional online materials for instructors. The Second Edition also features new examples from classic and contemporary works, including Frankenstein, To the Lighthouse, The Catcher in the Rye, The Kite Runner, and Wolf Hall.

The Norton Introduction to Literature

PORTABLE AND SHORTER FOURTEENTH EDITIONS NOT AVAILABLE IN THE BRITISH COMMONWEALTH

Kelly J. Mays, University of Nevada, Las Vegas

Help all students become close readers and confident writers

The Norton Introduction to Literature offers the trusted writing and reading guidance students need, along with an exciting mix of the stories, poems, and plays instructors want. The Portable Fourteenth Edition is the most inclusive ever, with more contemporary, timely works to engage today's readers. New media-rich pedagogical tools further foster close reading and careful writing, making this book the best choice for helping all students understand, analyze, and write about literature.

Vibrant new selections enrich the most inclusive edition yet

Highlights include thirty-five new works, twenty-five of which are by living writers. Newly added are stories from writers such as Isabel Allende, Louise Erdrich, Zadie Smith, Sandra Cisneros, and more. Poets new to this edition include Natalie Diaz, Ada Limón, and Evie Shockley, among many others. In the drama section, Shakespeare's Othello, added by popular demand, will prompt discussion and writing on identity and race.

Bring poetry to life for students!

A new album, "The Golden Shovel," focuses on a poetic remix form created by Terrance Hayes in homage to Gwendolyn Brooks. Poems by Hayes, Evie Shockley, Julia Alvarez, and others appear alongside the Brooks poems that inspired them. This new collection complements the album on the sonnet, helping make poetry even more accessible to students.

Media-rich resources for reading, analyzing, and writing about literature

Motivating students to complete the assigned reading is a perennial challenge. New to the Portable Fourteenth Edition is InQuizitive, Norton's auto-graded, easy-to-use online learning tool, which strengthens understanding and confidence by guiding students back into the text for closer reading. Read more on page 41.

About the Author

Kelly Mays is an associate professor of English at the University of Nevada, Las Vegas, and since 2001 author of The Norton Introduction to Literature. She has used her decades of classroom experience to inform her thoughtful revisions.

Hear from Kelly Mays about her process for selecting readings and sparking dialogue in introduction to literature courses.

Resources for The Norton Introduction to Literature Portable and Shorter Fourteenth Editions

NEW! InQuizitive

Norton's auto-graded, easy-to-use online learning tool that leads Norton's auto-graded, easy-to-use offentheir confidence and aptitude as close readers. Modules on oftentaught works, each of the book's three genres, and writing about literature include a game-like twist to keep students motivated and engaged. Questions progress from comprehension to analysis and are accompanied by answer-specific feedback that models close reading skills. Easily integrated with any learning management system, InQuizitive scores can flow right to your gradebook, making it a snap to assign.

> Interested in trying InQuizitive? email: UKtextbooks@wwnorton.com to sign up for a free demo.

Ebook

E The Norton Introduction to Literature ebook supports both the Portable and Shorter Editions. This ebook reflects the contents in the Shorter Edition, which includes everything in the Portable Edition. Norton Ebooks offer an enhanced reading experience-students can highlight, take notes, search, and read offline. Instructors can add and share notes with students. Norton Ebooks can be viewed on all devices and are born-accessible, with content and features designed from the start for all learners.

Instructor's Guide

This thorough guide offers teaching notes, discussion questions, and suggested writing prompts for every work in the text, as well as inclass activities and support for teaching writing, including strategies for avoiding plagiarism.

NEW! Norton Teaching Tools

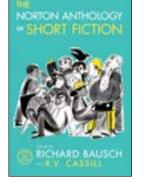

Full of resources created by experienced instructors, the Norton Teaching Tools site is your first stop when looking for creative and engaging resources to refresh your syllabus or design a new one. The contents are organized by genre and content type, making them easily sortable. Content includes teaching notes, discussion questions, lecture PowerPoints, videos, and images.

Close Reading Workshops

These workshops help students to paraphrase, observe, contextualize, analyze, and create an argument based on their close reading of a short excerpt. The workshops, over 20 in total, each focus on a passage from an often-taught work in *The Norton* and include a series of guided writing prompts-providing students with valuable low-stakes writing practice.

SHORT FICTION

The Norton Anthology of Short Fiction SHORTER EIGHTH EDITION

Edited by Richard Bausch, Chapman University

The best anthology for readers and writers of short fiction

One of the most celebrated writers and teachers of fiction, Richard Bausch, pairs his insight and inspiration with Norton's trusted editorial standards to deliver the finest teaching anthology available. The Norton Anthology of Short Fiction features 152 works—many of them new to this edition—by 130 authors, offering a rich collection of short stories, a wealth of criticism of key works and authors, and the opportunity to look deeper into the craft of fiction.

The new "Authors in Depth" feature brings together excerpts from essays, criticism, speeches, interviews, and more, offering students insight into the works and writing processes of influential authors. An extensive "Reviews and Commentaries" feature includes excerpts from critical essays and specially commissioned analyses of works in the anthology written by authors included in the Eighth Edition. "Writers on Writing" lets the authors gathered in The Norton Anthology of Short Fiction speak for themselves on their processes, inspirations, and fundamentals of the craft through excerpts from interviews, speeches, essays, letters, and more.

The Norton Anthology of Poetry

SIXTH EDITION

Edited by Margaret Ferguson, University of California, Davis Tim Kendall, University of Exeter Mary Jo Salter, The Johns Hopkins University

A responsive and media-rich revision of the best-selling anthology of poetry in English

This highly anticipated edition features new poets, new poems, and innovative digital resources. The Sixth Edition is an extraordinary teaching tool for instructors and an unmatched value for students.

With 1,851 poems (351 new) and 354 poets (44 new), *The Norton Anthology of Poetry* gives teachers a diverse and flexible core text. In response to instructors' requests, the Sixth Edition includes a new glossary of terms related to versification and syntax and hundreds of fine-tuned annotations and glosses. Updated biographical sketches offer brief but helpful information about the poets.

Also available is a playlist featuring over 150 audio recordings of poems in the anthology, created in partnership with The Poetry Archive, with an introduction by Poetry Archive cofounder and former UK poet laureate Sir Andrew Motion. Among the recordings on the playlist are E. E. Cummings, Charles Simic, Yusef Komunyakaa, Paul Muldoon, and Rita Dove reading their own work, as well as recordings of work by poets such as John Milton, Walt Whitman, and Emily Dickinson. And students and teachers will appreciate six tutorials that help explain perennial stumbling blocks in the study of poetry and bring poetic concepts to life using audio, video, and interactive exercises. ISBN 978-0-393-67902-1 • 2,384 pages • Paperback

Poets and Poems Included:

CREATIVE WRITING

Write Yourself out of a Corner: 100 Exercises to Unlock Creativity

Alice LaPlante

In this creative writing guide, longtime teacher and novelist Alice LaPlante shares 100 imagination-stretching writing exercises inspired by the idea of creative constraints.

978-0-393-54184-7 * 384 pages * Paperback * 2023

Comforts of the Abyss: The Art of Persona Writing

Philip Schultz

Pulitzer Prize-winning author Philip Schultz shares a vivid, intimate, and inspiring exploration of how to write through persona. Perceptive, enlightening, and profound, Comforts of the Abyss reveals how persona writing can be used as a tool for unlocking a writer's own story.

978-1-324-05211-1 * 240 pages * Paperback * 2023

Flash Fiction America: 73 Very Short Stories

James Thomas, Sherrie Flick, John Dufresne A spectacular new anthology of the best short-short fiction from across the United States. 978-0-393-35805-6 * 304 pages * Paperback * 2023

Who Says? Mastering Point of View in Fiction

Lisa Zeidner

A thorough, illuminating, and entertaining guide to crafting point of view, a fiction writer's most essential choice. 978-0-393-35611-3 * 288 pages * Paperback * 2021

FLASH! Writing the Very Short Story

John Dufresne

An engaging and frank guide to writing the very short story, full of sound advice, exemplary models, and provocative exercises.

978-0-393-35235-1 * 224 pages * Paperback * 2018

The Art of Voice: Poetic Principles and Practice

Tony Hoagland with Kay Cosgrove

An award-winning poet and teacher Tony Hoagland demystifies the elusive element of voice. In short chapters and an appendix of thirty stimulating exercises, The Art of Voice explores the myriad ways to create a distinctive poetic voice.

978-0-393-35791-2 * 176 pages * Paperback * 2020

The Making of a Poem: A Norton Anthology of Poetic Forms

Eavan Boland and Mark Strand

Two of our foremost poets provide a lucid, straightforward primer that "looks squarely at some of the headaches and mysteries of poetic form."

978-0-393-32178-4 * 400 pages * Paperback * 2001

The Triggering Town: Lectures and Essays on Poetry and Writing **Richard Hugo**

Richard Hugo's classic collection of lectures, essays, and reflections, all "directed toward helping with that silly, absurd, maddening, futile, enormously rewarding activity: writing poems." Anyone, from the beginning poet to the mature writer to the lover of literature, will benefit from Hugo's playful and profound insights into the mysteries of literary creation.

978-0-393-33872-0 * 128 pages * Paperback * 2010

The Poet's Companion: A Guide to the Pleasures of Writing Poetry

Kim Addonizio and Dorianne Laux

The Poet's Companion presents brief essays on the elements of poetry, technique, and suggested subjects for writing, each followed by distinctive writing exercises. From the nuts and bolts of craft to the sources of inspiration, this book is for anyone who wants to write poetry-and do it well.

978-0-393-31654-4 * 288 pages * Paperback * 1997

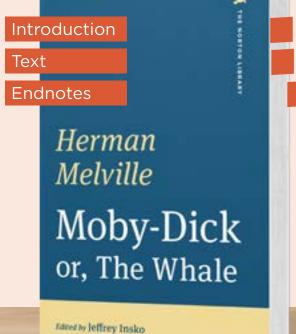

THE NORTON LIBRARY

A new series of classic works and translations that puts the student reading experience first.

The Norton Literature Library

The Norton Literature Library is an **unparalleled eBook collection**, that provides unlimited, university-wide access to over 120 major literary titles. Curated from our esteemed Norton Critical Edition and Norton Library series, this collection offers your students access to the best academic editions of some of the world's greatest literature.

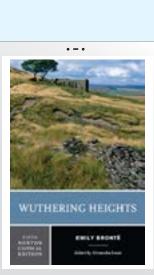

What's Included in the Norton Literature Library?

The Norton Literature Library is made up of over 120 titles authored by leading scholars with high-quality pedagogical support, context and critical materials. It is a multidisciplinary collection of titles in literature, philosophy, history and ideas.

Robert Louis Stevenson Dr. Jekyll & Mr. Hyde and condition 1 proton

Key Features:

- All students reading the same editions: Say goodbye to the hassle of students using different versions of texts. All your students can be on the same page, enhancing collaborative learning.
- **Comprehensive selections of works:** From timeless classics to contemporary masterpieces, our collection spans American Literature, World Literature, Religious tract, Political treatise, Mythology, British Literature, and more.
- Access to the best academic editions: Our Norton editions are renowned for their scholarly rigor. Each title is meticulously edited, accompanied by insightful critical essays, secondary readings, and historical context.
